

SONAX® Car Care

Premium Car Care that Leaves a Lasting Impression

For more than 60 years, SONAX has been improving and expanding their product portfolio through extensive research and development. Globally, the SONAX brand is synonymous with the highest standards and latest technologies in the car care sector. Innovation, excellent product performance and a variety of engagements in international motorsport have played a major role in their success. All SONAX products are developed and manufactured in Neuburg, Germany. SONAX is the only car care brand approved for use by all German car manufacturers.

SONAX® Car Care

Tech Specs -

The Only Car Care Brand Approved for Use by ALL German Auto Manufacturers

Exterior Care

Part# 287400
Brilliant Shine Detailer
Creates long lasting protection. Compliments & extends waxes or sealants already applied.

Part# 627400
MULTISTAR
Powerful, universal cleaner for interior & exterior surfaces. Safe on any surface except clear plastics & leather.

Part# 288200
High Speed Wax
A quick & effective 2-in-1 cleaning and protection spray emulsion. Effective spot cleaner and provides a natural barrier.

Part# 201200
Liquid Wax
Liquid hard wax utilizing Hybrid Net Protection Technology, creating a deep reflective gloss & long-term durability.

SONAX Ultrafine Microfibre Cloths (Part# 450700)- Pro-standard cloths for highest demands on sensitive surfaces, leaving no scratches or residue. Comes in 3 pieces. **Microfibre Drying Cloth (Part# 450800)**- High-grade, very thick, and soft large-format drying cloth with incredible absorbent properties. Leaves no scratches or residue. Washable. **Polishing Cloths (Part# 422200)**- Extremely soft polishing cloths for sparkling results, gentle to paintwork, leaving no scratches. 15 pieces.

Part# 427141
Insect Sponge
Easily & quickly removes insect residue from glass, paint and plastics, without leaving scratches.

Part# 427141
Application Sponge
Special sponge with reinforced white grip side & extra finely pored yellow side. For application of polishes, waxes, and plastic care.

Wheel & Tire

Part# 230200
Wheel Cleaner
Effectively cleans wheels from hard to remove grime/dirt, bringing back that clean, showroom shine. Safe for all surfaces.

Part# 235200
Tire Gloss Gel
Dual action cleaner & conditioner. Silicon rich formula provides deep, new tire look. Revitalizes old & faded tires.

Part# 417541
Wheel Rim Brush
For stubborn & difficult to access dirt on steel, light-alloy rims. Ideal for use with all SONAX Wheel Cleaners.

Interior Care

Part# 283200
Dashboard Cleaner
Cleans & protects. Leaves a matte finish for that original "factory-new" look. Antistatic effect to repel dust & dirt.

Part# 416541
Microfibre Cloth Plus
Clean glass, mirrors, plastic surfaces, upholstery & carpets without leaving streaks, smears or lint. Comes with 2 cloths.

Part# 416000
Dirt Eraser
Removes stubborn dirt from plastic parts in car's interior. Removes wax and polish residues from exterior plastic areas (bumpers, etc.)

Manufacturer Information -

SONAX is the market leader in car care products in Germany, and one of the leading manufacturers worldwide. The brand is represented in 100 countries around the globe. For more than 60 years, the company has been developing and manufacturing high performance car care products, to satisfy the highest requirements, in Neuburg an der Donau. Whether it's in motorsports, in the tuning scene or in the world of classic cars: When it comes to the perfect presentation of automobiles, SONAX will always be on hand, for car fans and experts.
